

WARNING For Europe and United Kingdom

To prevent possible hearing damage, do not listen at high volume levels for long periods. Um mögliche Gehörschäden zu vermeiden, hören Sie nicht lange mit hoher Lautstärke. Pour éviter tout endommagement possible de l'audition, n'écoutez pas de son à des niveaux de volume élevés pendant de longues périodes. Para evitar posibles daños auditivos, no escuche a volúmenes elevados durante períodos prolongados. Per evitare possibili danni all'apparato uditivo, si raccomanda di non ascoltare musica ad alto volume per molto tempo. Voorkom mogelijke beschadiging van uw gehoor en luister derhalve niet langdurig met een hoog volume ingesteld. Para evitar danos auditivos, não escute em volumes elevados durante longos períodos de tempo. Lyssna inte på höga volyminivåer under längre perioder, eftersom det kan ge upphov till hörselskada. Aby zapobiec możliwemu uszkodzeniu słuchu, nie słuchaj przy wysokich poziomach głośności przez długie okresy. Abyste předešli případnému poškození sluchu, neposlouchejte dlouho při vysoké hlasitosti. Aby ste zabránili možnému poškodeniu sluchu, nepočúvajte dlhší čas pri vysokej hlasitosti. A halláskárosodás megakadályozása érdekében a terméket ne használja sokáig túl hangosra állítva. For at forebygge risiko for høreskader, bør man ikke lytte ved højt lydtryk i længere tid. Για να αποφευχθεί μια πιθανή βλάβη στην ακοή σας, αποφύγετε την ακρόαση σε υπερβολικά υψηλή ένταση για μεγάλο χρονικό διάστημα. Da se izognete poškodbam sluha, ne poslušajte čaji časa pri visoki glasnosti. Para evitar danos auditivos, não escute em volumes elevados durante longos períodos de tempo. Lyssna inte på höga volyminivåer under längre perioder, eftersom det kan ge upphov till hörselskada.

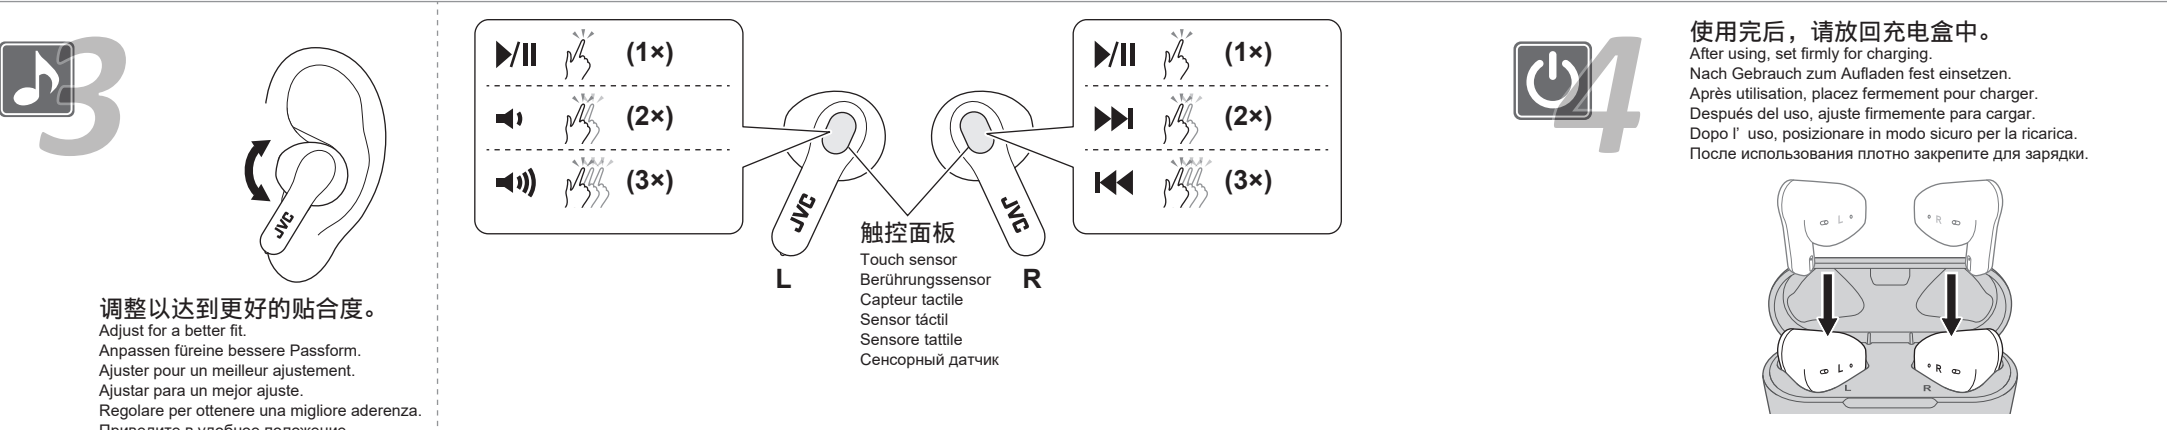

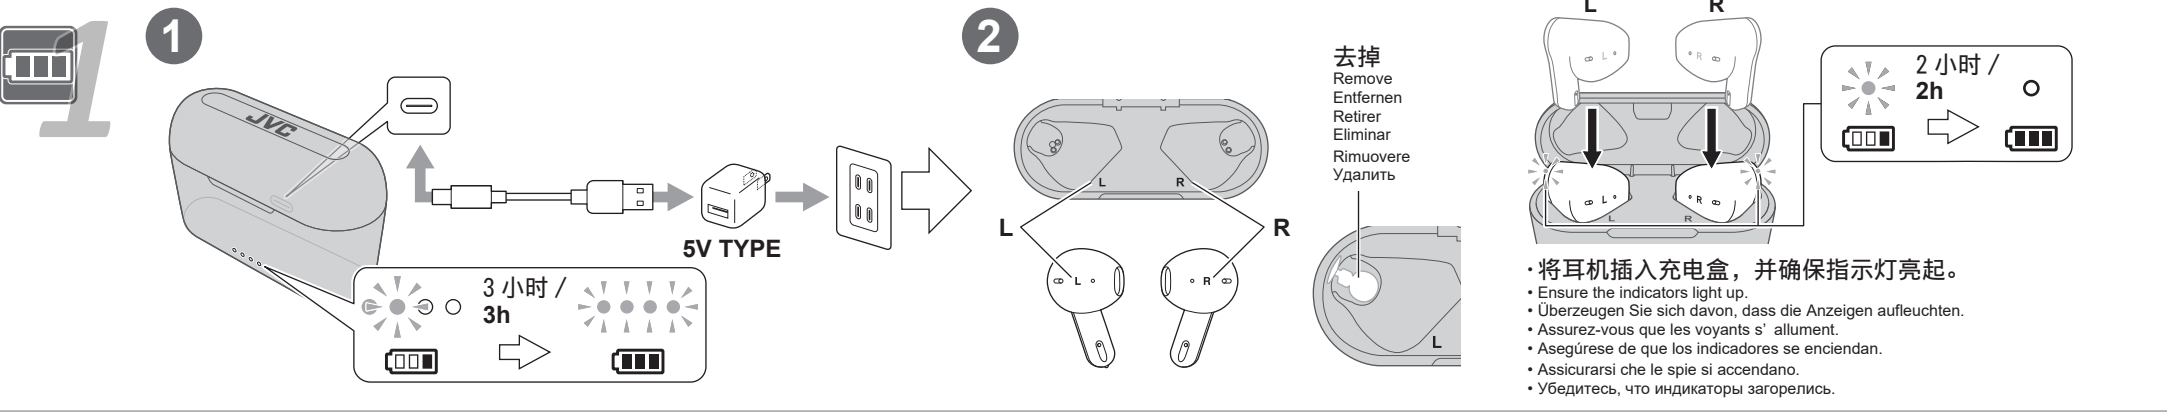

Table with 8 columns and 3 rows of technical specifications for Bluetooth. Columns include: Frequency range, Output power, Zakres częstotliwości, Частотен обхват, Frequenzbereich, Ausgangsleistung, Plage de fréquence, Gama de frecuencias, Gamma di frequenza, Frequentiebereik, Gama de frequências, and Frekvensomfång. Rows specify values for 2.402 GHz - 2.480 GHz, +5.0 dBm (MAX), Class 1.

WARNING For U.S.A.

Table with 3 columns: English, Français, and Español. Each column contains safety warnings regarding hearing comfort, traffic safety, and general usage instructions.

For Russia / Для России

ВНИМАНИЕ section for Russia. Includes safety warnings in Russian, technical information in Russian, and a table of hazardous substances (有毒或有害物质、元素) with columns for Lead, Mercury, Cadmium, Hexavalent Chromium, Polybrominated Biphenyls, and Polybrominated Diphenyl Ethers.

Charging terminals section. Includes a diagram of the charging terminals and text in multiple languages (German, French, Spanish, Italian, English, Chinese) explaining how to clean and maintain the terminals for optimal charging performance.

Support and contact information section. Includes a QR code, the URL https://manual3.jvckenwood.com/accessory/headphones/global/, and detailed instructions for user support in multiple languages.

Specifications section (主要规格). Includes a table with technical details: Frequency range (20 Hz ~ 20,000 Hz), Power source (Internal lithium-ion), Battery life (7.5h earbuds / 22h case), Charging time (2h earbuds / 3h case), Usage temperature range (5°C ~ 40°C), Storage temperature range (0°C ~ 35°C), Waterproofing (IPX4), Weight (4.1g earbuds / 39g case), and Accessories (Charging case, USB cable).

Bluetooth logo and trademark information. Explains the Bluetooth SIG logo, the JVC brand logo, and provides legal notices regarding trademarks and intellectual property in multiple languages.
